

OCEANIS 41.1

FUGIS

Loyal to spirit of this earlier generation, the Oceanis 41.1 combine performance and comfort at sea. The chined hull by the architects Finot-Conq stands for good balance under sail, making a particularly noteworthy entry into the market for this size of boat.

Benefiting directly from all the experience of the Oceanis range, the Oceanis 41.1 is a distillation of performance and intelligence. It is a best in class!
